

## DRAW CAD BANE

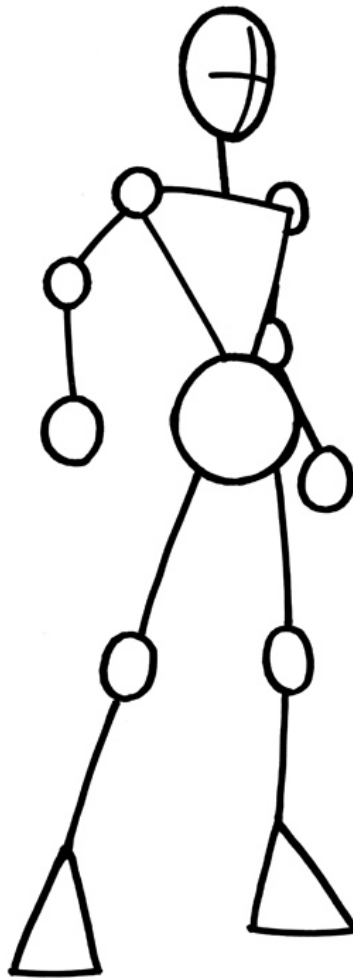

Ever wanted to draw *Star Wars* characters and vehicles just like the professional comic book artists? *Star Wars* illustrator Grant Gould explains with these easy-to-follow steps how to draw Cad Bane. Steps 1-5 are drawn lightly with pencil. No pen, no dark lines. Finished lines and details will come at the end.

### YOU WILL NEED:

Paper  
Drawing pencil

## STEP 1

Drawing lightly with a pencil, create a simple framework using basic shapes like circles, lines and triangles.

## STEP 2

Create an outline that shows the placement of Cad Bane's legs, arms, hat, etc. Keep it quick and loose. It's important to develop the over all pose and shapes before tackling any final details.

### STEP 3

Now you can start adding in some details, such as the brim of his hat, his eyes, his belts, his forearm equipment, and his blaster.

## STEP 5

Continue to flesh out his outfit, such as sleeves and belt details, and draw his hands.

## STEP 6

At this point, you should have a fairly detailed pencil drawing. Once you're happy with your masterpiece, you can go over your lines with pen or marker, or heavier pencil lines.
